

David asked for ideas from the body to increase membership.

It was announced that the combined Field Day efforts of the Indianapolis Radio Club, RCA club, and HDXCC, operating under W9JP placed 3rd in the nation in class 3A.

The December meeting will be our annual holiday dinner, on December 14, at 7:00 pm, held again this year at the Castleton MCL (5520 Castleton Corner Ln, Indianapolis, IN 46250). Please note that the club no longer subsidizes meals for members.

Next, Jim Rinehart, K9RU, and David Spoelstra, N9KT, gave their presentation, HOW TO WORK DX AND DXPEDITIONS IN THE DIGITAL AGE. They talked about FT8, fldigi, real time DX, Fox and Hound, <http://www.dxsummit.fi/#/> and <http://www.voacap.com/> - free websites to aid in locating and working DX.

Meeting adjourned at 8:59 pm.

[Many thanks to Mark Burke, W9MGB, for supplying these meeting notes. - ed.]

DANVILLE WX9HC REPEATERS OFF THE AIR

Due to the loss of the tower site that they occupied, the WX9HC repeaters (DMR 444.575, and FM/YSF 145.130) are down indefinitely. The repeater trustees are pursuing other locations.

CLASSES STARTING IN HENDRICKS COUNTY JAN. 30

The Hendricks County Amateur Radio Society will be hosting amateur radio license classes starting January 30, 2019, and ending with license testing on March 13, 2019.

This is for anyone who wishes to obtain a Technician class amateur radio license or upgrade to General class license only.

This class will be every Wednesday night from January 30 through March 13 at 7:00 to 9:00 pm.

Classes will be held at the Hendricks County Senior Services Center, 1201 Sycamore Ln., Danville, IN.

Registration will be at the January 30 session.

The Technician class will use the ARRL Tech Q & A book 7th Edition available from Amazon or ARRL for \$9.99 for Kindle, \$17.95 in Paperback versions.

The General class will use the ARRL General Q & A book 5th Edition available from Amazon or ARRL at the same prices as Technician book. The current General question pool will be effective through June 30, 2019; starting July 1 there will be a new set of questions in the General pool.

Signals from the Past:

From the November, 1978 *Amachewer*:

PROGRAM REVIEW On October 13th, the membership had the rare opportunity to hear one of our old timers, Winn Clark, W9JIY, discuss recent trends in UHF and VHF antennas and propagation. He demonstrated the Quagi antenna, a beam antenna driven by a quad loop and reflector with Yagi type directors. This beam is an excellent performer, having high realized gain and excellent frontal lobe and front to back ratio.....

Upcoming Area Radio Events:
